REGIONAL CAR SHOW BIG NEWS!!!!

The Heartland Region Show IS ON!!! I've put together what I hope will be a fun car show for September 21 & 22 (Saturday and Sunday), 2024 in the Beloit, Wisconsin area. We've got NUMEROUS self-directed activities planned for Saturday, and a peer voting car show on Sunday at Historic Auto Attractions in nearby Roscoe, IL You'll get access to the museum, a buffet lunch and we'll be presenting trophies at the end. There's still a lot of work to do, so if you can participate in planning or day-of duties please let me know. The registration form/flyer will be sent separately once I confirm with the hotel.

REGIONAL MEET-UP

Since there is so much already scheduled it was difficult to find a time to have a Heartland Region business meeting. However, I'll be in the lobby mixing and mingling on Wednesday, July 10 once I arrive and get settled in the hotel, most likely after dinner. I'm not sure if we can call it a true meeting since it's not officially scheduled, but I'll be there to catch up with you. If we can guarantee a quorum, you can view a tentative agenda on Google docs:

If you have items we should discuss, please add them or email me.

WE NEED YOUR STUFF!!!

The Region will have a booth at the Nationals to sell items for future Regional car shows. If you have stuff you can bring to donate, please do so. And if you can monitor the booth for a few hours, that would be ideal.
Please email or call/text me at len.woelfel@gmail.com or 630-675-3640 if you can cover the booth for a few hours.

On a personal note, some of you know about the 1995 Riviera test vehicle I bought last year (photo, right). I bought it with the intention of finding a permanent museum home for it, and it is now in Ohio, with the Buick Heritage Alliance. I'm sure it will be well cared for. Look for the history of the car in the Riviera Owner's Association magazine, The Riview, soon.

If you have a car show, etc. coming up, PLEASE LET ME KNOW and I'll add it to the google calendar called **Heartland Region Car Shows and Cruise Nights** which you can access through Google Calendars or
