WE NEED YOUR STUFF!!!

The Region will have a booth at the Nationals to sell items in support of future Regional car shows, etc. If you have stuff you can bring to donate, please do so. PLEASE LIMIT YOUR DONATIONS TO SMALLER ITEMS THAT CAN BE SOLD EASILY. And if you can monitor the booth for an hour or more, that would be very helpful as well.

Please email or call/text me at len.woelfel@gmail.com or 630-675-3640 if you can cover the booth for a while. I'd like to see a car or three while I'm there.

SHOW ME THE MONEY

I'm moving our bank account from US Bank to Chase Bank soon. The reason for this is that US Bank is charging \$72 a year in fees, and Chase will not charge us at all, assuming we maintain a balance of over \$2,000. In 2023, we only wrote one check, for the renewal of the trailer license plate. Once the transfer is complete I'm going to add a second signatory on the account from the Chicagoland Chapter. I'm doing this in case I become incapacitated, you'll still be able to access the money if necessary.

GS NATIONALS

Great to see so many comments about the GS Nationals held recently in Bowling Green, KY. There were a number of members from various Heartland Chapters in attendance. Can't wait to see more pictures! If you have any to share, I'll put them on the Heartland page.
